

Interrogative pronouns — identify and understand

Level: A1+–A2 · 25 min

Objective

By the end, you will choose six very common Albanian question words.

Discover

To ask about a place, would you use kush, ku or kur?

Understand

Albanian question words ask for specific information: kush? who?, çfarë? what?, ku? where?, kur? when?, pse? why?, si? how?. Choose the word according to the information needed.

Examples

- Kush vjen?
- Çfarë do?
- Ku banon?
- Kur nisesh?
- Pse qesh?
- Si je?

Remember

kush who · çfarë what · ku where · kur when · pse why · si how.
