

The dative case — practise and choose the right form

Level: A1+–A2 · 25 min

Objective

By the end, you will choose several dative noun forms in giving and communication contexts.

Discover

Complete: I dërgoj një mesazh _____. (motra). Which form is required?

Understand

To practise the dative, transform the base noun into the form required for a recipient: Ana Anës, miku mikut, mësuesi mësuesit, motra motrës. The verb and full phrase help identify the role.

Examples

- Anës
- mikut
- mësuesit
- motrës
- djalit
- vajzës

Remember

Learn forms in context: i flas mikut, i shkruaj mësuesit, i dërgoj Anës, i telefonoj motrës.
